# FOIL STAMPED ROLL LABELS

Foil Stamped Roll Labels are popular in packaging and often used on the label applied to the front of a product, or the "prime" label. These labels enhance shelf appeal and present a high-quality, sophisticated brand image that attracts consumer attention. Choose from six materials and five standard foil colors to create a custom look. Schools, manufacturing, and restaurant markets also use these labels for branding and communications.

- Foil stamping enhances shelf appeal and brand image
- Choose from six materials and five foil colors
- Popular for packaging and prime label applications
- Contact us for standard or custom sizes

Show off the contents inside translucent containers with elegant foil stamped clear BOPP labels.
